

## RUSSIAN DANCING INTERESTS WOMEN

Friends' Relief Workers Give Delightful Program Tuesday.

### TO SEE ART EXHIBITED

The Community Club gathered in unusual number on Tuesday to observe Mr. and Mrs. Timbres in Russian and Polish folk dances, and were moved to enthusiasm by their performance. Mr. and Mrs. Timbres spent two years in Russia and Poland working with the American Friends' Relief Association during the famine. Thus they lived among the peasants and learned their songs and stories, and more difficult, their dances. In the midst of privation these people often gathered for an "evening" of merriment and always insisted that the American should share the frolic.

Mr. and Mrs. Timbres, dressed in the gay homespun of Polish peasants, reproduced some of the dances, which involve acting as well as intricate footwork, with grace and spirit. Stories, too, they told vividly, as heard over steaming glasses of tea in the intervals of the dances. The Russian accompanist, a virtuoso on his "harmonica," or accordion, must be commended, not only because the dances depend so much on the strongly marked rhythm of the music, but for his robust rendering of several Russian songs.

Tea was served by Mrs. William Newman and Mrs. E. T. Wolf, joint chairmen, with the assistance of Mrs. A. W. Fredericks, Mrs. Francis Egmore, Mrs. H. G. Veneman, Mrs. C. H. Shaw, Mrs. Joseph Miller, Mrs. Bruce A. Carey, Mrs. Wallis Boileau, Mrs. Lester Collier, Mrs. A. H. Cordo, Mrs. W. W. Deacon and Mrs. Harriet Miesuet.

Mrs. A. Y. Reinking announced that the new aluminum trays, which make service so much easier, are gifts, one half dozen from Mrs. Camille Dehm, an equal number from the Hospitality Committee.

The Dinner Dance on the 15th gave a most satisfying evening to those who braved the young blizzard. With such an excellent dinner, such good music, such a friendly atmosphere, no one could fail to have a good time. Entertainment was provided by members of Miss Carter's dancing class. Four girls, Emily Titus, Katherine Jane Miller, Ruth Hollar and Dorothy Fitzmorris, gave some fancy dances very prettily. A toe dance by Emily Titus received a hearty call for an encore.

Mrs. E. C. Batchelor, Chairman of Art, has arranged a visit to the Academy of Fine Arts on Friday morning, February 4. Miss Dorothy Grafty will accompany the group and comment on the pictures shown. Please send your names and \$1 to Mrs. Batchelor.

### DISTRICT GOVERNOR

Makes Official Visit to Balcynnar Rotary Club at Luncheon.

Charles F. Puff, Jr., of Jenkintown, governor of the 50th Rotary District, made his annual official visit to the Bala-Cynwyd-Narberth Rotary Club at its weekly luncheon Tuesday in the Cynwyd Club. He addressed the club and later conferred with the council, composed of officers and committee chairmen.

Mr. Puff spoke on "The Responsibilities of the Individual Rotarians" and explained the working structure of Rotary from the international standpoint. He stressed the necessity of Rotary education among the members and warned against the use of Rotary for mere business gain.

There were a number of visitors at the meeting which was one of the best attended of the club. On the list of visitors were Rev. George Barnes, of Overbrook, former district governor; Harry Florey and John Weigle, of the Ardmore Club; Alban E. Reid, of Narberth, member of the Philadelphia Club; Ralph S. Dunne, Dr. J. J. Schembs, Jr., Horace T. Smedley, George Gilpin and Hervey C. Keim, all of Narberth.

## Residents Who Failed to Shovel Snow Off Sidewalks Are Summoned

Residents of Narberth who have repeatedly failed to clear snow off their sidewalks have been summoned by Burgess Henry A. Frye to a hearing 7.30 Monday night. Forty-three summonses have been sent out this week, including fifteen to chronic offenders, who will probably be penalized, at the hearing.

A borough ordinance was passed some years ago, requiring all residents, whether owners or renters, to clear off their sidewalks within twenty-four hours of a snowfall. Following last Saturday's storm the borough officials waited an additional twenty-four hours until late Monday afternoon before taking action. Then a canvass was made of the entire borough, and forty-three sidewalks which had not been cleared were listed.

Heretofore there has been an

inclination of borough officials to waive the fine of five dollars provided by law when delinquents agreed to observe the law. This lenient policy has failed in the case of the chronic offenders, according to R. F. Wood, Chairman of the Borough Highway Committee. At Monday's hearing it is expected that more drastic methods will be employed, which will cost more than to hire a man to do the shoveling.

Some of the excuses offered the Burgess at these sessions with snow delinquents are said to be novel: Last year one husky six-footer said that the only reason he had not shoveled his walk was that he thought his wife had done it. Another, with a generous frontage of pavement, said the snow had not been removed because his nine-year-old boy had not time to do so.

### BOY SCOUTS PITCH IN AND IMPROVE THE CABIN

Another Assistant Scoutmaster and Cheer Leaders Appointed.

New developments and departures greet the Boy Scouts at each of their meetings in the cabin. Last week they were instructed in the fundamentals of marching. They were assembled in front of the building by Buglers Parks and Burns, following which, to the droning of "Hip-2-3-4," thirty-five of them marched in troop formation around the "South Side" for a half-hour drill.

Another assistant scoutmaster—"Jim" Hutchison—was appointed by Benjamin J. Cook, scoutmaster. He was introduced to the boys amid loud and long cheering. He will devote his attention, chiefly, to the athletic activities of the troops, while assistant scoutmaster John Wilson will be in charge of the technical work incident to "passing" the boys on their various tests required in order to advance in scouting.

The following cheer leaders were appointed: Vestus Spindler and Fred Van Auker. Their initial try-out of organized cheering was during the opening of the basket of crullers which had been made by Mrs. A. G. Compton that afternoon, especially for the boys. Each cheer leader led the group in a lusty cheer for Mrs. Compton and her crullers.

The cabin has been completely rejuvenated since the first of the year. The boys are spending a great deal of their spare time after school in making new benches, painting the floor, installing additional electric lights, framing pictures and hanging them. This work is being done under the direction of Scoutmaster Cook, who is delighted with the hearty co-operation he is receiving from the boys in his effort to make the cabin more habitable, comfortable and cheerful.

"The new spirit has gripped the boys," he said. "We are going to be hard put to take care of all of them before very long. We have a fine lot of new material, and I have heard that a number of the former members are talking about returning to our ranks. We have many things in store for the boys, and I am in hopes that we can keep ahead so as not to be compelled to start a waiting list."

The large American flag, which Jay "Reds" Thomas borrowed from "his Dad" adds a fine touch to the interior of the cabin. This will be used until the new one, donated by the American Legion, arrives.

### IN NEW POSITION

Miss Ruth E. Prescott, daughter of Mr. and Mrs. Frank H. Prescott, of Essex avenue, has recently been appointed assistant sales manager with the Philadelphia office of the Frontier Press, book publishers.

Her duties include the sale, through schools and homes, of a single-volume reference work, "The Lincoln Library," containing 300,000 facts, 66 special dictionaries, 330 charts and tables and 818 illustrations.

### YOUNG PEOPLE OF MANY DENOMINATIONS TO MEET

Friendship League of Young Narberth Church People Begins Year.

The first devotional meeting of the new year will be held by the Friendship League of Young People's Societies of Narberth at the Baptist church, Sunday evening, the 23d, at 6.30. A program has been arranged by the members of the league. Everyone is invited to attend.

The program will consist of hymns by all, Scripture reading by the Methodists, prayer by the Reverend Dawson, musical selection by a Presbyterian quartet, offertory solo by a Lutheran, and an address by the Baptist pastor, the Reverend Keighton, on "The Three R's." Following a hymn, the benediction will be pronounced by the Reverend Van Ness, Presbyterian.

Music will be led by Mr. Stanley, of the Methodist church, and Mrs. T. Barclay, of the Lutheran church, will accompany at the piano.

### MRS. ESTHER M. COYLE

Esther M. Coyle, widow of Michael Coyle, died on January 11. She was a daughter of John G. and Mary C. Cannon. Funeral was last Saturday, from the home of her parents, 145 Merion avenue, Narberth.

### AID TO GIVE SOCIAL

An interesting evening is anticipated at the Methodist church next Thursday evening. The ladies will have one of their enjoyable socials which they have invited their husbands to share. A humorous debate will be the feature of the evening: "Resolved, That man is the boss in his own home."

Mr. Henry A. Fry, Rev. Harry M. Chalfant and Mr. Lawrence N. Wright will talk on the affirmative side of the question and Hon. Fletcher W. Stites, Mr. L. Parker Miller and George O. Schroeder on the negative side. All the ladies of the church and their husbands are invited and any of your friends will be cordially welcomed.

## Lower Merion and Norristown to Play Again After Ten-Year Break

Lower Merion High School and Norristown High, ancient foes in football and often in past years rival claimants to the Class A suburban football championship, will resume gridiron relations after a 10-year break. A football game between the two is virtually assured for the 1928 season.

This became known Monday afternoon at a meeting of the Lower Merion Athletic Advisory Board in the high school at Ardmore. Approval by this body will remove the last obstacle here to a Lower Merion-Norristown game, for the board is composed of a member of the School Board, a member of the Lower Merion Alumni Association, Superintendent S. E. Downs, Principal C. B. Pennypacker, Physical Director Adam, President Wendell B. Stewart of the Athletic Association

## LUTHERAN PASTOR RESIGNS CHARGE

Rev. M. E. McLinn Gives Up Work Due to Poor Health.

### SUCCESSOR NOT CHOSEN

At the annual meeting of the congregation of the Holy Trinity Lutheran Church on January 19, the resignation of the pastor, Dr. Milton E. McLinn, was read and regretfully accepted.

Dr. McLinn for four years has devoted himself with untiring energy and loving service to the needs of a young and growing church. During this time he has had the satisfaction of seeing a church building reared and a congregation built up.

He has endeared himself to the hearts of his people and by his spiritual messages has greatly uplifted them. It is their earnest hope that he may speedily improve in health so that he may enjoy the benefits of a well-earned rest.

The pulpit will be supplied regularly until a new pastor is secured.

## WILL ELECT GRID CAPTAIN AT DINNER

Oswald Smith Looks Like Probable Winner of Vote.

### FOUR CANDIDATES OUT

A football captain for next year will be elected tomorrow night by the 20 lettermen of the Lower Merion High at the annual football banquet to be held in the senior high school at Ardmore. The election will take place at a meeting of the lettermen before the dinner.

Just who will be chosen, is not at all certain at this time. Four candidates are reported in the field but of these Oswald Smith, of West Conshohocken, is regarded as the most likely winner. He was halfback on this year's eleven.

Another candidate for the post is Sam Barclay, of Ardmore, end on this year's varsity and present captain of the basketball team. Other possibilities are Irving Dothard, of Narberth, a halfback, and Allan Cook, of Merion, the other varsity end and present center on the basketball team. Cook's chances are regarded as the smallest as he will probably be chosen captain of the basketball team at the end of the present season.

The captaincy at Lower Merion always goes to the man regarded as the best fitted by the individual lettermen, but this year the choice is more open than ever. On group with nine votes at its disposal has no candidate in the field and its members are open to give their votes to any one of the four men, three of whom come from one clique.

### GOOD FELLOWS MEET MONDAY

The regular meeting of the Good-fellowship Club of the Methodist church will be held at the church, Monday evening, January 24. We hope all the members will keep this in mind and try to be there.

### MERCHANTS TO MEET

The January meeting of the Narberth Board of Trade will be held next Monday night.

This will be a supper meeting, in accordance with the policy inaugurated last month. The Brynwood Manor Inn will be the scene of the January meeting. Supper will be served in the Grille at 6.30.

President Chris Koch is expecting a large turnout, not only of those who organized the new body last month, but also of other business men who so far have not been represented. A cordial invitation has been issued by the officers for all Narberth merchants to attend and become members.

## WATER HARMLESS THO' TASTE IS BAD

So Lower Merion, Narberth and Club Investigators Find.

### ICE CAUSES TROUBLE

The musty taste and queer odor of the drinking water of which many residents of Ardmore, Bala-Cynwyd, Narberth and other communities in the Main Line district served by the Philadelphia Suburban Water Company complained early this week is not due to an unhealthy or dangerous condition of the water. So health officers of Lower Merion, the borough of Narberth and special investigators of various civic clubs found upon investigation after they were deluged with complaints from scores of householders.

The unpleasant taste was caused by the freezing of ponds and reservoirs from which the water is drawn. The ice prevented the escape of harmless gases which filters could not remove. With the rising temperature of the last few days, it is believed that this difficulty will soon be removed and the water will be again normal.

Many householders noting the peculiar taste and odor became alarmed and feared that the water was dangerous to health. They communicated with health officers who had analysis made. Chemists found that the bacterial count of the water was as good as usual and that while the condition of the water was annoying, there was no need for fear as to it being dangerous.

### Narberth First in Queries.

The unpleasant taste of the water was not general throughout the district. Complaints came Saturday from householders in Narberth and soon after that from residents in Bala-Cynwyd. Later in the week some in Ardmore discovered it but not until later this week was the unusual condition noted in Rosemont.

Narberth borough was one of the first to be due to the fact that 650,000 gallons of Schuylkill River water was being purchased daily by the Philadelphia Suburban Water Company from the Philadelphia water supply system and was being pumped into the mains of the Main Line district. Lower Merion authorities found this report without foundation.

Health Officer George B. Supplee took samples of the water there on Saturday and had analysis made by Dr. George A. Sloan of the Narberth Board of Health. He found the water harmless.

Monday complaints from Bala-Cynwyd residents were investigated by Dr. T. L. Montgomery, chairman of the sanitation committee of the Bala-Cynwyd Neighborhood Club. He likewise found no cause for alarm.

Investigation by Lower Merion Health authorities was inaugurated when one resident whose name was withheld, wrote complaining that first to make an official investigation.

It was pointed out that the Philadelphia Suburban Company supplies water to some of the northern parts of the Philadelphia district. Its mains make a cut-over in northern section of Philadelphia. This is believed to have led to confusion and the reports of the Schuylkill River water being unloaded here.

Explanation of the whole condition was made to Secretary George C. Anderson of the Lower Merion

## LIBRARY REPORT SHOWS PROGRESS

Circulation Jumped Nearly 1500—Borrowers Total 1739.

### 20,783 VOLUMES LENT

That the Community Library has enlarged its scope and increased its effectiveness, and that the public has availed itself more than ever of the increased service, was revealed in the annual report filed recently at Harrisburg, by Mrs. Robert F. Wood, librarian.

The Library from the beginning has aimed to give as complete service as could consistently be done, and as fast as opportunity has arisen, has grasped every means to increase the hours of opening. During the year 1926 the Library was open 255 days, including the periods already established, every afternoon except Saturday and Sunday and Friday nights, and in addition, since October, the two mornings, Tuesday, and Thursday from 10 to 11.30.

These morning hours were at first established for the convenience of the High School pupils and they are now being continued as meeting a permanent need. Women downtown marketing find it convenient to drop in then, and agree that the atmosphere at that time is more conducive to "browsing" than in the busier afternoons.

Mrs. A. L. Horst, of Narberth avenue and Mrs. P. A. Wales, of South Narberth avenue, are giving their time for these two new periods of opening.

In making its annual report for 1926, the Library surveys the year with gratitude. It was during this year that the new building, the gift of the Board of Trustees of the Y. M. C. A., was dedicated, and the Library given the privilege of permanent occupancy of the central section. It was also in connection with this gift that the residents of the community who from the beginning of the work in 1921 had been generous in its support, rose to the new emergency and raised nearly \$1400 to buy the new shelves and equipment for the room. The School Board during the year made its second appropriations of \$500 and the Borough Council in paying expenses of light and heat, is giving the equivalent.

Statistics for the year show that the number of books has increased in spite of the fact that constant use has worn out so large a number, and the number of borrowers has increased. The circulation also has increased by nearly 1500.

All these facts are very gratifying to the staff, but not more so than a fine compliment paid recently in an exclamation of utter amazement from a woman who had been coming to the Library for little more than a year and did not know that the work was all volunteer. There are many interpretations to be placed on this remark, but it was meant to be very complimentary and is so acknowledged.

The few facts following were culled from the annual report which has recently been filed with the State Library at Harrisburg.

Days open during the year, 255.

Number of volumes added during the year, 2050.

Total number of volumes, 5245.

Number of volumes lent in adult department, 13,561.

Number of volumes lent in juvenile department, 722.

Total number of volumes lent, 20,783.

Number of new borrowers during the year, 423.

Total number of adult registered borrowers, 891.

Total number of juvenile borrowers, 848.

Total number of borrowers, 1739.

### LADIES' AID TO ELECT

On Tuesday evening the Ladies' Aid Society of the Holy Trinity Lutheran Church will hold its annual meeting at the home of Mrs. S. Weiss, 207 Hampden avenue, at 8 o'clock. This will be an important meeting, when officers for the year will be elected, and new work planned. All the members are urged to be present.

## THANKS FIREMEN

To the Editor of "Our Town":

Permit me through your valued columns to express to the firemen of the Main Line and Bala-Cynwyd my deep appreciation for their help when fire attacked my home in Merion, Monday.

The prompt response, the intelligent fire fighting, and the small amount of damage done in fighting the fire has been a source of great admiration and pleasure to me.

GUY CROYLE.

## CAMPAIGN NOTES

The need of greater interest in the fire company was stressed this week by Drive Chairman F. C. Patten, who said:

"The campaign for volunteer members of fire company is lagging, due to a lack of understanding among the residents. Only \$3 is required as a contribution of the 1000 members who are needed. To date there are only 555 members. The thermometer at the corner of Forest and Haverford avenues is still too low for comfort.

"It should be borne in mind that the volunteer fire department saves the taxpayers seven or eight times the amount of their \$3 a year dues. If the company were paid, the tax rate would have to be raised considerably higher.

"An active fireman gives up from \$150 to \$200 worth of his time every year; a contributing member is asked for only a negligible part of that amount.

"The volunteers protect your homes—they reduce the fire, and also the insurance rate on your homes. They are an ever constant and faithful, reliable safeguard against fire, protecting the very life of your household."

The door-to-door canvass for members will commence next week.

It is expected that names of all members will be announced next week. That your name may not be among the missing, you are requested to forward your check now to Fred C. Patten, who heads the drive for membership.

## DRINKING WATER HERE IS HARMLESS; TASTE IS BAD

CONTINUED FROM THE FIRST PAGE

Board of Health by C. E. Davis, manager of the Philadelphia Suburban Water Company in a letter written Tuesday. This communication was in answer to complaints forwarded by Mr. Anderson.

"Answering your inquiry, there is absolutely no truth in, or foundation for, a rumor to the effect that the Philadelphia Suburban Water Company is buying water from the city of Philadelphia and distributing it to its customers," Mr. Davis declared.

"All water furnished by the Philadelphia Suburban Water Company is straight Springfield water. The musty taste, noticed in some districts, in the past day or two, was caused by the freezing over the ponds and reservoirs from which the water is drawn and in which it is stored.

"This is not infrequent winter characteristic in the majority of water supplies in the northern States. In some winters it is more pronounced than in others, owing to a combination of rainfall, temperature and ice. The taste will diminish and will be entirely gone within a few days.

"Meanwhile this company has kept the State Board of Health fully advised of conditions and I would refer you to that board, in the City Centre Building, Philadelphia, if you wish further information.

"I would suggest that as the taste arises from a harmless gas entrained in the water, which the filters cannot remove, that this may be removed by boiling, by pouring water from one pitcher to another, in a fine stream, or by allowing a pitcher of water to remain uncovered and exposed to the air before drinking."

## "SHEET SHOWER"

"A Sheet Shower" will be held on Tuesday afternoon at half-past two in the parlor of the Presbyterian Church for the benefit of the Miraj Hospital in India and the Allis-John James School at Santa Fe. Plain muslin sheets for cots or crib sheets of unbleached muslin 40 x 70 inches. Special program and a social hour. Everybody welcome.

## The Fireside

Mr. and Mrs. August Bailey, of Conway avenue, are being congratulated on the birth of a daughter, Barbara Anne, on Monday, January 10.

Miss Mary Hauck and Miss Helen Hauck, of Sharon Hill, Pa., and Miss Eleanor Burgess, Miss Catherine Torchiana, Miss Edith Maguire and Miss Kathryn Burgess were among those present at the bridge and dance which Miss Marion Bryon, of Philadelphia, gave at her home last Saturday evening. Miss Bryon formerly lived in Narberth.

Mr. George M. Morris, of 513 South Narberth avenue, Merion, was the lucky recipient of a ten-dollar cross-word puzzle prize last week.

Mr. Thomas A. Kerrigan is spending the winter months in Florida.

Miss Eleanor Templeman gave a dance at her home on Forest avenue last Thursday evening. Many of Narberth's younger set were present.

Miss Elizabeth Maguire entertained the members of her bridge club last Wednesday evening at her home on Grayling avenue. The members of the club are Mrs. Warren Hall Thorne, Mrs. Stanley Deifendorf, Miss Dorothy Durbin, Mrs. Edgar Weber, Mrs. Edward Anderson, Miss Mildred Chambley and Miss Sidney Bolich.

Essex Avenue and Quinn's Field in Wynnewood were perhaps the two most popular places in this vicinity last week-end following the heavy snowstorm. Coasting seemed to be the "order of the day."

Mr. and Mrs. Warren Hall Thorne, of Dudley avenue, and Mrs. Harry Weber spent the past week-end in Trenton.

Dr. and Mrs. Edgar Weber, of Woodside avenue, returned recently from a visit to Indiana.

The girls' basketball team at the Lower Merion Senior High defeated Lansdowne High in an exciting contest played last Thursday at home. Lower Merion won by the score of 31-30.

## SNOW PRECIPITATED 1.04 INCH

A variation of 31 degrees is shown in the Main Line Co-operative Observer's weather report for the week ending January 15. The highest temperature recorded was 41 degrees, and the lowest was 10 degrees.

The precipitation was 1.04 inch, making a total of 1.20 inch since January 1, according to the Observer, who is located in Narberth. Saturday's snowfall hindered ice skating, but made sledding and coasting popular for young folks.

The barometer was low for the week at 29.96, and high at 30.68. Since January 1, a temperature efficiency of 53 degrees has been noted, and for the same time last year, a deficiency of 1 degree.

## GARA MEN'S CLASS MEETS

Boys! Don't let dad forget about the Father and Son Dinner coming soon. The program, which will be announced later, will be interesting and entertaining to both "Father and the Boys."

Men! Get an early breakfast next Sunday and come to the class at 10 A. M. Topic: Notable Prayers of the Old and New Testament. You are a practical man of the twentieth century; what can you learn from those prayers?

The dedication of the new reader's stand, which was scheduled for last Sunday, has been postponed to tomorrow, at the opening of the class.

## Exercise and Play at the Y. M. C. A.

Regular, systematic exercise in the Y. M. C. A. Gymnasium followed by a warm shower and a plunge in the pool will keep you physically fit for the strenuous days ahead.

Join a class in Calisthenics; play Volley Ball, Indoor Baseball or Basketball, as you like.

Enjoy the other features, too—Billiards, Bowling, Circulating Library and Reading Room, Dormitories, Clubs, Good Fellowship.

Jubilate, B-flat . . . . . Stanford

Anthem—"O Come Before His Presence" . . . . . Martin

### WILL SHOW "SHOW-OFF"

St. Colman's Parish Players will produce George Kelly's popular comedy in their parish hall, Ardmore, Monday, Tuesday and Wednesday nights, January 24-25-26, at 8.15. This is one of a series of high-class performances of the players witnessed by many Narberth play-goers.

# Let The Merchant Tell His Story-

The Narberth merchants who serve you every day---the service men who come to fix a broken pipe or mend a leaky roof---the coal man who sends his trucks through a blizzard so that you may be warm---these men can tell of real service, a story that dwarfs the cold-blooded courtesies of the city stores.

Often a Narberth business man is called upon to perform favors far beyond the reasonable confines of his business. A druggist, for example, sends out a boy for a loaf of bread to deliver with a telephoned order for cigarettes. The radio man is called for late at night to fix up a set so that the evening will not be spoiled, and all too often it is a so-called bargain set bought in Philadelphia.

The merchant, if he had the time to tell his story, could trace a history of many years, during which Narberth tradesmen and mechanics have served the community in more ways than the simple musical act of pushing the cash register.

Many families know and trust the local merchant. They know that things may be purchased, and work done, economically and honestly, by Narberth talent. To those families who are unfamiliar with local opportunity, we say---

## LOSERS NOW WINNERS

Tables were completely upset in the last two bowling matches. The only alibi the losers have is that their captains were absent. But this alibi is wrecked by the fact that the captains were also absent on the winning teams. Therefore when the scramble is unscrambled this is the sad and glad result—sad for the defeated, glad for the winners.

## ARDMORE WINS

In a game played at the Ardmore Y. M. C. A. the Ardmore Rovers defeated the strong Narberth Boys' Club team, 21 to 18. The game was very close, and at the end of regulation time the score was 18 all. An extra period was played, and in this period Boyd was fouled. He made the try. Dagan soon followed up with a field goal.

The playing of Eidenberg and Burgess for the Boys' Club kept the score mounting. Lappin, Boyd and Mandes starred for Ardmore. The line-up was as follows:

| NARBERTH         |                            |             |

## L. M. AND NORRISTOWN TO RESUME GRID RELATIONS

CONTINUED FROM THE FIRST PAGE day's meeting these advocates of peace and forgiveness had failed consistently of success.

Both schools have during the past nine years been at the top of the Suburban League in football prominence and have been for the greater part of the nine years rival claimants to the suburban crown.

The Norristown eleven could not be met in the 1927 season, as the Merion schedule has already been completed. This schedule was also approved by the board and follows:

1927 Schedule.  
September:  
Sat.—24: Berwyn, at home.  
Fri.—30: Penn Charter, away.  
October:  
Sat.—8: Cheltenham, at home.  
Sat.—15: Wilmington, at home.  
Sat.—22: Lansdowne, away.  
Fri.—28: Abington, away.  
November:  
Sat.—5: Haverford High, at home.  
Sat.—12: Upper Darby, away.  
Sat.—19: Radnor, at home.

The only change in the schedule from the previous year was the releasing of West Chester High School from its tentative agreement for a game in 1927 and the substitution of Haverford High School in its place. Lower Merion has beaten West Chester ever since 1912.

## PRAISES PROHIBITION

Celebrating the seventh anniversary of the adoption of the Eighteenth amendment of our National Constitution, the Rev. Mr. Van Ness delivered a sermon in the Presbyterian church that was received with great favor, last Sunday night. The summation of his line of thought is as follows:

"Let us ask again that ancient question 'Is it well with the child?' Let us ask it concerning this seven-year-old child of our National Constitution. As we realize the great

progress made during the lifetime of this child in national prosperity, in lessening the drinking of the entire country and especially among the student classes, in promoting health and in reducing crime, in the saving of as much as \$6,000,000,000 per year, we say with grateful hearts, 'Yes! It is well with the child!' "And on this anniversary day we pledge ourselves to do our utmost as loyal Christian citizens to further the welfare and the usefulness of this child of our nation and, we believe also, a child of our God."

## DELICIOUS CANDY

Fresh candy is a revelation to those used to stale boxed kinds. Home-made candy, we all know, is better than factory-made. Here, at White's, you will find candy both fresh and home made. Some Specials:

Home-made Fudge—Dollar Grade, 60c lb.

Full Cream Caramels, 60c

Kronkee (made with butter, sugar and roasted almonds), 80c

A visit to White's is always a treat!

## If You Have a Wife---

HOW CAN YOU PROVIDE, WITHIN THE LIMITS OF YOUR WEALTH, A HOME AND A SAFE, REGULAR INCOME FOR HER, SHOULD SHE BECOME YOUR WIDOW?

\* \* \*

How three men solved this problem in three different ways through Trust Services is told on Page 7 of our new booklet, "Proved Plans for Solving Estate Problems," which will be mailed to you free upon request.

This booklet also contains solutions of other similar financial and business problems affecting both the individual and his or her dependents.

\* \* \*

Perhaps you would like to confer with us as to how our Trust services might help you solve some particular problem pertaining to your estate. We cordially invite you to do so—in confidence, of course, and without expense or obligation to you.

## What Is a Permanent Building?

Depends upon whether you form a mental picture or whether you base on FACTS as brought down through history.

The "Old Witch House," located on Cape Ann, near Salem, Mass., famous to all New England tourists, is one of the many monuments to Frame Construction.

This house is now two hundred and thirty-four years old, and while repairs have been made when necessary, is ample proof that permanency cannot be confined to any one class of Building Materials, but by using the proper kind of

## LUMBER

you not only get a home you can hand down to posterity, but one of beauty as well.

Architects specify LUMBER for BEAUTY, and we have that kind of Lumber.
